

## TECHNICAL DATA SHEET

### PL01 - parklet

#### 1. FEATURES

|               |                                |
|---------------|--------------------------------|
| SIZE (cm):    | L:750 / W:500 / H:355          |
| MATERIALS:    | metal tubes, metal sheet, wood |
| INSTALLATION: | anchor / concrete              |
| WARRANTY:     | 24 m                           |

#### 2. SIZE

### 3. INSTALLATION

### 4. MATERIALS

#### Construction

Used steel pipes and plates have necessary profiles, technical and operational characteristics that correspond to the loads during using. Metal parts are covered with anti-corrosion primer and paint with UV protection.

#### Wooden elements

They are made of dried coniferous wood covered with colored UV varnish

### 5. WARRANTY

The warranty duration for the play equipment is 24m.

The warranty covers:

- defects from poor-quality manufacturing of the product
- defects from used low-quality materials

The warranty does not cover:

- defects caused by assembling or installation that do not comply with the manufacturer's instructions
- damage to the product caused by vandalism
- damage from incorrect use
- damages caused by irregular control and maintenance of the facility
- defects from normal amortization, which occurs when using the product for its intended purpose: scratches, dents, rubbing, fading, cosmetic problems from surface corrosion
- damage caused by fallen branches, parts of buildings, vehicles or other moving objects.

### 6. ISO 9001; ISO 14001

The company GOTINSTAIN EOOD is certified according to **ISO 9001** and **ISO 14001** for quality management of the production of playgrounds, sports and fitness equipment, garden and park equipment.
