WARRANTY:	24 m

2. SIZE

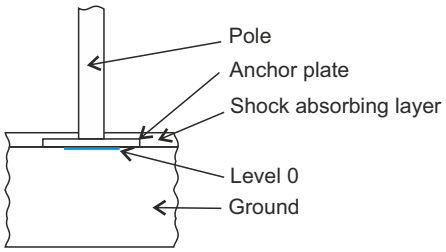

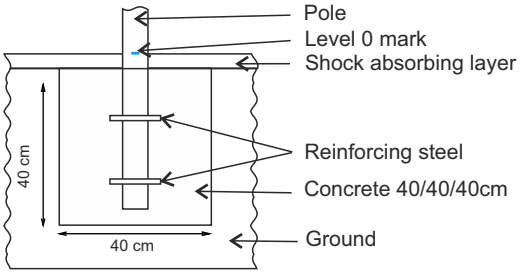

web:gotinshtain.com
e-mail: office@gotinshtain.com
tel: +359 896 602070

3. INSTALLATION

Anchor

Concrete

4. MATERIALS

Construction

Used steel pipes and plates have necessary profiles, technical and operational characteristics that correspond to the loads during using. Metal parts are covered with anti-corrosion primer and paint with UV protection.

Wooden elements

They are made of dried coniferous wood covered with colored UV varnish

5. WARRANTY

The warranty durance for the play equipment is 24m.

The warranty covers:
- defects from poor-quality manufacturing of the product
- defects from used low-quality materials

The warranty does not cover:
- defects caused by assembling or installation that do not comply with the manufacturer's instructions
- damage to the product caused by vandalism
- damage from incorrect use
- damages caused by irregular control and maintenance of the facility
- defects from normal amortization, which occurs when using the product for its intended purpose: scratches, dents, rubbing, fading, cosmetic problems from surface corrosion
- damage caused by fallen branches, parts of buildings, vehicles or other moving objects.

6. ISO 9001; ISO 14001

The company GOTINSTAIN EOOD is certified according to **ISO 9001** and **ISO 14001** for quality management of the production of playgrounds, sports and fitness equipment, garden and park equipment.
